during his long captivity.

THE substitute reported in the United States Senate on the 10th by Mr. Eaton for the bill to regulate the election of President and Vice-President provides that the State Electors shall meet on the second Monday is December at an appointed place; that on the second Tuesday in the January following the House and Senate in joint con vention shall count the votes from the cer tificates of the Electors, the result being delivered to the joint presiding officer, who shall announce the persons elected In case of an objection to the vote of any State, made in writing and signed by three members of the joint convention, the returns objected to shall be laid aside, debated for three hours, and voted upon per

THE Woman's Baptist Foreign Mission ary Society of the West closed its threedays' convention on the 11th at Milwaukee and selected Toledo, O., as the place meeting in 1885. Mrs. A. J. Howe, of Chicago, was elected President.

JUAN B. PATRON, ex-Speaker of the New Mexican Legislature, was assassinated a few nights ago at Las Vegas by a cowboy. SECRETARY FRELINGHUYSEN on the 11th eceived a dispatch from General Adam Badeau tendering his resignation as Consul-General at Havana.

CHARLES READE, the popular English novelist, died in London on the, afternoon of the 11th, aged seventy years. For some months he had been in delicate health H. J. HAMLIN was on the 11th nominated

for Congressman by the Republicans of the Seventeenth Illinois District, L. E. trict and Jonathan H. Rowell in the Four-

DR. NORVEN GREEN, President of the Western Union Telegraph Company, made an argument before the House Committee on Post-offices and Post-roads in Washington on the 11th in opposition to postal telegraphy. If, however, he said, Government was determined to enter into

the business, he thought it ought to buy

out the existing lines and manage the

work exclusively in its own way. THEODORE A. HURD, of Leavenworth, has been appointed Associate Justice of the Supreme Court of Kansas, to succeed D. J. Brewer, who was called to the Fed-

eral bench. THE Republican Congressional Convention for the First District of Illinois on the 12th renominated R. W. Dunham for Con-

grassman. EDWARD M. SMITH, United States Consul at Mannheim, Germany, died of apoplexy in an English railway car on the 12th while en route to this country.

ONE-HALF of Mandalay, the Capital of the Kingdom of Burmah, a city of 90,000

cople, was burned recently. THE Dominion Government has vetoed the bill recently passed by the British Columbia Legislature prohibiting Chinese immigration which was carried into opera-tion on March 31.

Tug number of persons killed during the Haytien revolution was officially declared on the 10th to have been seven thousand. ADVICES of the 10th from Havana, Cuba

say that Colonel Aquero had landed out resistance. Numerous factions joined him on his march to the interior. His forces encountered troops several times; but obliged them to retreat. Great excite ment prevailed, especially in Havana, owing to the concentration of large forces of troops, and the Government had tele

graphed to Spain for more troops.

Widows and unmarried women in Nova Scotia have been empowered to vote at nunicipal elections. THE tribes between Berber and Shendy n the Soudan, were on the 11th reporte

to be in a state of insurrection. The were besieging Shendy and a portion of the Berber garrison had gone to that city's relief. A Carno dispatch of the 13th says that the British communications with Berne

by land and water had been cut off. The

Arabs had raided the environs of the town

It was reported that Khartoum had fallen into the hands of the rebels, and that General Gordon was a prisoner. Agueno and his followers in Cuba wer on the 12th marching toward Bazamo, the seat of former insurrections, and were hailed with joy by the villagers on the route. His band had been largely augmented. Some plantations had been burned, and tax-collectors despoiled of their funds. A band of forty-two insurgents who were marching to join Aguero

were attacked by the Spanish troops, and thirty-eight of the former were killed. Six ten-dollar Confederate bills were successfully passed upon liquor dealers in

Montreal, Can., a few nights ago. Ir was announced on the 12th that five thousand laborers on the Panama Canal had died within the past three months,

were negroes. LATER NEWS.

EARLY on the morning of the 14th an explosion of fire damp occurred in the coal mine of John A. Wood & Sons, near Elizabeth, Pa., instantly killing James Painter and James Stevenson, and injuring several others. They had just entered the mine and reached the point where they work when the explosion occurred, the fire damp igniting from their lamps. No other persons were in that part of the mine. William Kent and a workman amed Simmons, both some distance from he mine, were seriously injured by the flying debris, and several others were bruised and cut. Boys playing in the mine the day previous are supposed to have left the trap door open, which al-lowed the collection of the fatal gas.

Two farmers named Humphrey Bunch and Jesse Glover, living near Car rollton, Mo., quarreled on the 14th because Bunch, who is an uncle of Glover, refused to allow the latter's cattle to feed in his pasture. Glover went away, but a after returned and shot his uncle dead.

THE mail steamer Reliance, running between New York and Rio de Janeiro was wrecked near Bahia on the 13th. The passengers, crew and mails were saved, crew and mails were saved, the cargo, including seven thousand bags of coffee, was lost. She was built last year and valued at \$350,000; fully insured.

News has been received of the death of Dr. Pogge, the German explorer, which occurred at St. Paul de Loanda, March 17. THE Celluloid Brush Company's Works at Newark, N. J., were burned on the 14th, entailing a loss of \$200,000. SCHUTE & Co.'s box factory and

planing mill, together with offices, stables,

umber piles and J. Richard's dwelling house and shoe store at Pittsburgh were iestroyed by fire on the 14th. Loss \$75,000. house and shoe store at Pittaburgh were instroyed by fire on the 14th. Loss \$75,000.

Astong the petitions and memorials resented in the Senate on the 14th were resolutions from the recent convention of inventors at Cincinnati, opposing any change of the patent laws; also a petition signed by firs. James A. Garifeld and 500 citizens of Geveland, O., praying for the passage of a bill providing for the return of the Nex Percex Indians to their old homes; also a petition from tobacco dealers remonstrating against the agritation of the tobacco tax question, and praying that the tax be allowed to remain as it is. Consideration of the Navai Appropriation bill was then resumed, and after several amendments had been agreed to the bill passed. The bill to establish a uniform system of bankruptcy throughout the United States was then taken up. Pending debate on the section defining the class of persons who may apply for voluntary bankruptcy and fixing the amount, the Senate went into executive session and soon adjourned. In the House a resolution was adopted setting apart Saturday, April 19, for the consideration of bills reported from the Committee on Labor. Bills were introduced and referred: To pisce various articles on the free list; to equalize taxation; authorizing the retirement of John C. Preusout with the rank of Mayor General; for the appointment of a commission of seventy-six members (two of different parties to be selected from each State) to propose to the several States the propericy of calling a convention to meet July 4, 1881, for the purpose of proposing amendments to the Consideration of District business, and soon after adjourned.

OHIO LEGISLATURE.

Senate, April 9.-The Senate vened at 2:30 p. m. A number of bills were read the second time. Bills were introduced: To authorize the Board of Education of the village of West Cleveland to issue bonds for school purposes, and to make an additional levy for the payment thereof; to provide for the better repair of a portion of the Ohio Canal at Circleville. Mr. McLyman introduced a resolution which was referred to the Committee on Federal Relations, provising for the appointment of a committee to request the Secretary of the Navy to have a war vessel stop at Constantinople to bring to this country the remains of J. A. McGahan, the celebrated war correspondent, such committee to consist of Lieutenant Governor Warwick, President pro tem. White, Speaker Marsh, Speaker pro tem. Brunner, Hon. John O'Neill and Hon. H. C. Greiner. After adopting a resolution providing for the hirring of two additional clerks, the Senate adjourned.

House.—Among the petitions presented wars the following. duced: To authorize the Board of Educa-

resolution providing for the hiring of two additional cierks, the Senate adjourned.

House.—Among the petitions presented were the following: From citizens of Geauga County, asking for free school book legislation, and also for the teaching in the public schools of the effect of alcohol on the human system; from several thousand citizens asking that a prohibitory amendment be submitted to the people; from 650 persons who want a graded liquor tax bill passed. Bills were introduced: Providing for taking Clark County from the number of counties in which townships are given control of the roads; prohibiting railroad companies from employing persons afflicted with color blindness; to provide for the publication of school text books, and making an appropriation therefor; making eight hours a legal day's work; authorizing voluntary organizations, not incorporated, to sue and be sued the same as incorporated companies; amending the statutes so as to authorize the trustees of a city to purchase real estate and issue books to rear wherefor recobilities. corporated companies; amending the statutes so as to authorize the trustees of a city to purchase real estate and issue bonds to pay therefor; prohibiting the sale of intoxicating liquors in Linwood School District, Hamilton County; providing for punishment for the desecration of cemeteries and graveyards. Bills were passed: Providing for the appointment of a board of control in Scioto County by the Common Pleas Court; authorising the Mahoning County Commissioners to increase the tax levy of the general fund. The Senate amendments to the bill providing for the erection of a town hall in Independence, were concurred in. Mr. Greiner introduced a resolution authorizing the Governor to offer a reward of \$5,000 for any new or improved plan of pike-making which shall not exceed in cost three-dollars per lineal rod. Adjourned.

Senate, April 10.—Bills were introduced:

Senate, April 10 .- Bills were introduced: Giving the Mayor of any city, town or village the casting vote in case the Council is a tie: to provide for a uniform system of school text books in the schools of Ohio at scaled text possible prices; amonding the statutes regarding the procedure in criminal cases. Bills passed: Increasing the fees from fifty cents to one dollar in the case of the examination for teachers' certificates; dispensing with the use of private seals; to condemn mill dams that have not been read for the extradition of

concemn mill dams that have not been used for ten years; for the extradition of fugitives from justice fleeing to foreign countries. Adjourned.

House.—Senate bills were passed: Amending the game laws so as to extend the time for shooting wild duck until April 15, and shooting quali from November 15 to December 15: authorizing the Hamilton the time for shooting wild duck until April 15, and shooting quali from November 15 to December 15; authorizing the Hamilton County Commissioners to issue bonds to the axtent of \$150,000, to run thirty years at five per cent. to meet the expenses caused by the burning of the Court House; receiving means for restoring the tax caused by the burning of the Court House; providing means for restoring the tax duplicate of Hamilton County, destroyed in the late Court House fire. House bill providing for the appointment of sanitary inspectors of school houses was also passed. Adjourned.

Senate, April 10.-The only bills of general interest passed were: Providing that auditors shall give individual notice to landowners in ditch cases instead of general notice; amending section 5,134 relative to the docketing of cases in the Common Pleas Court, where newly-elected Judges are interested; to authorize the sale of cer-tain land belonging to the State. Mr. O'Nell introduced a bill providing that when any county was authorized to issue bonds for the purpose of building a rail-road and the railroad was not completed, the railroad can be sold and the proceeds used for like purposes or impro-

House.-The entire morning session was House.—The entire morning session was occupied in agreeing to amendments to House bills made by the Senate. At the afternoon session the House bill by Mr. Kohler, giving pipe lines the same protection as that asked by other common carriers, was passed—yeas 63, nays 13. Bills were also passed: Allowing Common Pleas Judges to place under bonds witnesses in criminal cases during recess of court; amending section 1,777, so that city solictors may require all contractors to perform their contracts or have them declared woid. Adjourned.
